## Welcome Lion Audrey

New Lion Audrey Bryant receives her Lions Club Member certificate, along with sponsor, Lion Chuck. President Stedman then pinned the Lions Club pin on our newest member and his partner in service. Welcome, Lion Audrey!!

## Soaring Eagle Award

Lions Bud and Becca presented to President Stedman, a plaque given to Lions Bud and Dorothy at the Soaring Eagle District Boy Scout Banquet last month, making Houston Cy-Fair Lions Club a patron member of Boy Scouts of America for all our assistance with Scouting. The plaque now resides in our Trophy Cabinet.

## Brick Honoring Former Caterer

The engraved brick at the base of our Flag Pole for our long time caterer. Frank LaBelle, has been completed. Please stop by the flag pole and enjoy the many engraved bricks there. We have found a place just a block away from Lions Park to have the bricks engraved. Please encourage baseball teams to consider purchasing a brick to honor their coach or special members. Forms are at the concession stand.

### ***Fun Directors***

President Stedman has asked Lions Amanda and Milly to plan some fun events for Lions and their friends. Some suggestions were bowling, providing a party at a nursing home, dominos, ice cream social, etc. It would be great if we could get more Lions members and guests to participate. Details will be sent when finalized.

### **FACEBOOK**

Houston Cy-Fair Lions Club has a Facebook page!! Please visit, leave a post and/or picture, and invite others to join in. Listed on the pages are some of our activities, with pictures of the tables groaning with food ready to be given to needy families at Christmas, and an article about how our Flag pole came to be. Everyone can post and read posts on this social media. Hopefully, we can list upcoming meetings, speakers, fund raisers, fun evenings, etc, and invite others to join in. Let's all help keep our Lions Club in the news!!

### **Leader Dogs for the Blind**

Please look at the beautiful poster of the Class of 2013 Leader Dog Graduates posted behind the podium. These beautiful dogs have been assigned a human partner, and are making that person more mobile and free. We support this worthwhile Lions Club Charity.

### **Birthdays and Anniversaries**

Happy Birthday to Lion Bud Casey on March 10, Lion John Peterson March 30, and Lion Donald Stoddart on March 6. Happy Anniversary to Lion Todd Gaudin March 31

### **Texas Lions Camp Workday**

Lion Bud, one of the elected Directors to the Texas Lions Camp, has procured Saturday April 5, 2014 for the Houston Cy-Fair Lions Club to participate in a general clean up/workday at the Texas Lions Camp. All Lions and non Lions are invited. We do, however, need to know ASAP how many people from this Club will be attending. You can stay in the bunk house if you like. There will be male and female bunk houses, but the Camp needs to know if you are planning on using this option. Also, the Camp will need to know if you plan on having breakfast and/or lunch at the Camp on Saturday, so that the appropriate number of meals are available. Attached to this email is a list of hotels in the area if you do not want to stay in the bunkhouses. Also, there is a beautiful Kerrville City park, not far from the Camp, which has tent and RV campsites. That website is:

Those with specialized skills, such as air conditioning, plumbing, electrical repairs, etc, should let Lion Bud know so those persons can be assigned to the appropriate work group. The rest of us without specialized skills, will be doing general clean up, painting, etc. Take your work gloves, a good hammer, old clothes you don't mind getting paint or dirt on, and come and spruce up our Texas Lions Camp for this summer's Campers.

LION BUD WILL NEED TO KNOW AS SOON AS POSSIBLE IF YOU PLAN TO ATTEND THIS WORK DAY AT THE TEXAS CAMP. PLEASE CALL HIM AT 713-598-2457 OR EMAIL HIM AT:
