## Lion Becca Discussed Friends of Scouting Program

Lion Becca was our presenter at the first Lions Club meeting this month. She discussed Scouting, especially the Friends of Scouting Initiative, which helps to raise money for the Soaring Eagle District to provide programs for the 58,000 youth in 16 surrounding counties. She presented President Paul with a Friend of Scouting hat, thanking our Club for the years of support to all the Scouting functions we support and contribute to. She discussed the Soaring Eagle District Patrons Dinner to be held March 5, with Lions Bud, Dorothy, Paul, and wife Cherie attending.

## Welcome New Member

Patrick Nyamsi Tchotet, from Cameroon, has joined our Lions Club. He works for the Harris County Constable's office, and visited our Club and wanted to become a part of all that we do. This is his first time to join a Lions Club, but he was a Leo in his native country. Lion Patrick was inducted by 2<sup>nd</sup> Vice District Governor Mark Roth, with sponsor Lion Bud Casey. Please give Patrick a warm welcome; we look forward to having him join us at the concession stand and other Lions Club projects.
