Quilt for Bob Dowden Auction

Lion Sandy made a quilt which will be donated to the District for auction at the Bob Dowden Dinner on Oct. 7. The scrap quilt pattern is called Hugs and Kisses, or X's and O's. Depending on how you look at the design, you see an X or an O. This is how a child would write Hugs and Kisses on a letter home to Mom and Dad. The hand quilting is done with a circle of hearts within the X and O pattern, and two different heart patterns at the borders. . The quilt received a First Place and Best of Show ribbons at the Harris County Fair. Plan on coming and bidding on this at the Bob Dowden auction
