## Handicapped Camper Meeting

We had one of our Handicapped campers and her father join us for dinner and tell about her experience. Emily has been going to Texas Lions Camp for many years, and unfortunately, this is her last year to attend. She loved the people and counselors, how they made her feel normal and not handicapped. She did not like having to get up early each morning. Emily wants to become a counselor once she turns 18. Her father praised Texas Lions Camp for instilling confidence in the kids.

We had the parents of three handicapped children attend our dinner. Their children could not attend, because they go to the Texas School for the Deaf in Austin. Their daughters, ages 11 and 10, have attended TLC for 4 and 3 years respectively. They both love the arts and crafts

activities. Little brother, Jake, attended for the first time this year, and he loved everything about Camp. Both Daniel and Jazmine attended Texas Lions Camp when they were younger, Daniel from ages 8-16, and Jazmine only her last year. Daniel loved the time he spent at Camp as a child, and wants to make sure his children have wonderful experiences at Texas Lions Camp, also.

## Guests

Stacey Rieger, friend and fellow American Sign Language Interpreter with Lion Amanda, visited and help translate for the deaf visitors.

Bob Rugur heard about our Lions Club and joined us for a meeting also. He seemed

impressed with all our Club does in the community, and we hope to see him again.

### ***Children's Magic Show***

Houston Cy-Fair Lions held their 2<sup>nd</sup> Children's Magic Show on Tues. Sept. 29. Despite it being a school night, the theater at the Berry Center was almost full! As usual, Magician C. J. Johnson was fun and included many children from the audience to participate in his illusions. Thanks to Lions Bud and Stedman for heading up this fund raiser for our Club.
