

News from the Lion's Den

August 2017

Legacy Project

Houston Cy-Fair Lions Club installed a Lions Club emblem sign and information about our meetings. Thanks to Lions Bob and Merrell for installing the signs.

President Keith

President Keith began his year as President, doing a wonderful job of keeping the rest of Lions in line and on task. Thanks for your guidance and enthusiasm President Keith!!

President Keith taking charge.

Cy-Fair Sports Association Speaker

Curtis Cooper, overall Field Coordinator for every field and facility used by the Cy-Fair Sports Association, spoke with us about the plans for continued use of the West Little York baseball complex. He said that the Sports Association is planning to sell the Queenston facility, which will bring more games to our more centrally located fields. Discussion about maintenance of our grounds centered on things that need working on, and the need for long promised electronic scoreboards. Mr. Cooper wishes to continue the relationship with the Houston Cy-Fair Lions Club, using our fields regularly. He will see that the lacking maintenance is corrected.

Guest

Randy Matthews, father of a diabetic camper we have sponsored for the past two years, visited us to inquire about joining and giving back to our community through Lionism. He was welcomed warmly, and we hope to see him again. Please get to know him.

Lions Clean Up

Several Lions volunteered their time and energy to spruce up the Lions' Den recently. Lions Bob, Merrell, Julie, Mazher, Sandy, Bud and Dorothy worked for several hours. Some cleaned the chairs with upholstery cleaner, some cleaned out closets, and some sorted through Lions memorabilia. Everyone agreed that the finished product was well worth the effort. Thanks to all who helped.

Lions Merrell, Julie and Mazher cleaning chairs

Lions Bud and Dorothy sorting through mountains of memorabilia,

What to do about water pooling at our picnic tables?

After heavy rains, water pools around our picnic tables. Lion Tamer Bob requested any ideas to help eliminate this problem. Lion Milly stepped right up and donated several bags of soil to fill in the low areas. Thanks Lion Millyj!!

Water under the picnic tables after a heavy rain.

Help Update our Web Page

Lion John Donato, who is our Webmaster, has agreed to come for a special meeting with the Board of Directors and anyone else interested in having input into changes and updates to our webpage at www.houstoncy-fairlions.org.

Please attend this special meeting one hour prior to our regular meeting of Tues. Aug. 8, starting at 6PM at the Lions' Den. Bring your concerns and suggestions so we can make improvements.
